Petanqueturnier

Basel

Maximum number of participants	**A maximum of 25 teams can participate**. Consideration will be given after receipt of registrations.
Participation fee	CHF 25 per participant The Coaches are exempt from the participation fee for competitions. The basic course pass is no longer required for the fee exemption. All accompanying persons who do not meet the definition of coach are «Other Persons» and pay the full participation fee. The amount must be paid in cash on site. Further information on the participation fees can be found here.
Eligibility	Participation is open to all people with intellectual disabilities. Further information can be found here. Special Olympics Switzerland requires that the participating athletes are physically fit and, if necessary, that all medical clarifications (e.g. atlanto-axial instability test for people with trisomy 21) and measures have been taken so that they can practise their sport without injury.
Accessibility	We are committed to enabling as many people with disabilities as possible to participate in our events. We and the local OCs strive to ensure accessibility to the sports venues. We ask for your understanding if we cannot guarantee this 100% at all times. For specific questions regarding access to the various facilities, please contact the OC directly.
Tournament form	Teams of three These are made up of two athletes with support needs and a unified partner. Three athletes with support needs can also form a team, provided they are able to play independently or are supervised by an external coach.
Category	For the tournament, the teams will be divided into groups according to the five categories A (boys) to E (beginners) as far as possible. Each performance group plays among themselves for places 1-8. Each game lasts approx. 30 minutes.
Divisioning	Groups will be assigned on the basis of registration. We reserve the right to make adjustments to the categorization.
